

Job Title: Farm Equipment Operator

Location: Grassy Lake, Alberta

Position Type: Full-time with Benefits

About Us: We are a thriving agricultural operation committed to sustainable practices and innovation. Our farm spans acres of fertile land, where we cultivate various crops with precision and care. As we continue to expand and enhance our operations, we are seeking a skilled Farm Equipment Operator to join our team.

Job Description: As a Farm Equipment Operator, you will play a pivotal role in our agricultural operations, ensuring efficiency and productivity across various tasks. Your main responsibilities will include operating large farm equipment, such as high-clearance sprayers, air drills, planters, dammer dikers, and more.

Key Responsibilities:

- Operate high-clearance sprayers with precision and attention to detail.
- Utilize air drills, planters, dammer dikers, and other equipment as needed.
- Follow established protocols for crop management and application of fertilizers and pesticides.
- Conduct routine maintenance checks on equipment to ensure optimal performance.
- Collaborate with farm management to execute tasks efficiently and safely.
- Maintain cleanliness and organization of work areas and equipment storage.

Requirements:

- Previous experience operating high-clearance sprayers is essential.
- Familiarity with operating air drills, planters, and dammer dikers is advantageous.
- Possession of a Class 1 driver's license is considered an asset.
- Ability to work in a fast-paced environment and adapt to changing priorities.
- Strong attention to detail and commitment to safety protocols.
- Physical stamina and ability to perform tasks in various weather conditions.
- Excellent communication and teamwork skills.

Benefits:

- Competitive salary commensurate with experience.
- Comprehensive benefits package.
- Work within a supportive team environment with a focus on collaboration and innovation.
